

Terms of Service

Last updated: 17.09.26

Welcome to StraightForward, a platform that helps users find and connect with teammates for online games. By creating an account or using the App, you agree to these Terms of Service ("Terms"). If you do not agree, do not use the App.

1. Who We Are

StraightForward is operated by StraightForward, based in Latvia. These Terms are governed by the laws of Latvia and the European Union, including the General Data Protection Regulation (GDPR) where applicable.

2. Eligibility

- You must be at least 16 years old (or the minimum age of digital consent in your country, if higher) to use the App.
- By registering, you confirm that the information you provide is accurate and that you have the legal capacity to enter into this agreement.

3. Account Registration

- You are responsible for maintaining the confidentiality of your login credentials.
- You are responsible for all activity that occurs under your account.
- We reserve the right to suspend or terminate accounts that violate these Terms or provide false information.

4. Purpose of the app

The App is designed to help users create profiles describing their gaming interests, skill level, availability, and preferences, and to match or connect them with other users seeking teammates. The App does not guarantee compatibility, skill level accuracy, or successful matches.

5. User Conduct

When using the App, you agree not to:

- Harass, abuse, threaten, or discriminate against other users.
- Impersonate another person or misrepresent your identity, age, or gaming credentials.
- Use the App for any illegal purpose, including cheating, boosting, or account trading where prohibited by third-party game terms.
- Attempt to scrape, reverse-engineer, or interfere with the App's operation or security.
- Post spam, advertising, or unsolicited commercial content.

5. User Profiles and Content

- At this stage, the App does not support user-generated content such as chat messages, uploaded images, or public posts beyond basic profile information (e.g., username, game preferences, availability).
- If such features (chat, uploads, messaging) are introduced later, updated Terms and a Content Policy will apply, and we will notify users.
- You retain ownership of any information you submit, but grant us a limited license to use it solely to operate and improve the App's matching functionality.

7. No Payments Currently

The App does not currently process payments, subscriptions, or in-app purchases. If paid features are introduced in the future, separate payment terms will be provided and your consent will be requested where required.

8. Third-Party Games and Platforms

The App may reference or integrate with third-party games or platforms (e.g., Steam, Discord, Riot Games). We are not responsible for the terms, policies, availability, or conduct of these third parties. Your use of third-party services is governed by their own terms.

9. Privacy

Our collection and use of personal data is described in our [Privacy Policy], which forms part of these Terms. As we operate in the EU, we process personal data in accordance with the GDPR, including your rights to access, rectify, delete, or export your data.

10. Intellectual Property

All trademarks, logos, design, and software associated with the App are owned by StraightForward or its licensors. You may not copy, modify, or distribute any part of the App without prior written permission.

11. Disclaimers

- The App is provided "as is" and "as available," without warranties of any kind, express or implied.
- We do not guarantee that matches found through the App will result in positive, safe, or successful gaming experiences.
- You interact with other users at your own risk. We recommend standard online safety practices (e.g., not sharing personal information with strangers, using in-game/voice chat platforms rather than personal contact details).

12. Limitation of Liability

To the maximum extent permitted by law, StraightForward shall not be liable for any indirect, incidental, or consequential damages arising from your use of the App, including but not limited to disputes, harm, or losses resulting from interactions with other users.

13. Termination

We may suspend or terminate your access to the App at any time, with or without notice, if we believe you have violated these Terms or engaged in harmful conduct.

14. Changes to These Terms

We may update these Terms from time to time. If changes are material, we will notify users via the App or email (if provided). Continued use of the App after changes take effect constitutes acceptance of the updated Terms.

15. Governing Law and Disputes

These Terms are governed by the laws of the Republic of Latvia and, where applicable, European Union law. Any disputes shall be subject to the exclusive jurisdiction of the courts of Latvia, unless mandatory consumer protection laws in your country of residence provide otherwise.
